Welcome to University Avenue Discovery Center! At UADC, we thrive when our community is connected. As we embark upon the start of a new year, we would like to extend our hand to welcome you to approach your teachers and administrative staff whenever you feel the need to discuss issues of importance to your family – we love to talk about your children and their ideas, interests, progress, and are thrilled to share in these important moments of growth during these critical early years.

We take your needs seriously and strive to implement any feedback you give, in order to uphold our vision to, “Empower children to boldly explore and compassionately interact with their world”. Our door is always open for conversation, visits, volunteers, and drop-ins. Our home is your home.

Attached you will find the necessary paperwork for 2020-2021 enrollment. I/we, _____ and _____, agree to pay tuition as detailed below.

All tuition for my child's care and education is due on or before the first of the month prior to services provided. Tuition is paid on a MONTHLY basis. A \$35 late fee will be applied to your account if tuition is not paid within the first 7 days of each month. Tuition rates are not prorated based on start date.

A tuition deposit equal to one month's tuition is due with the Enrollment Application. The deposit is applied to the last month of the contract completion. A waiting list is maintained in order of receipt of applications. A family is required to submit a 30 day notice if planning to withdraw from the program. Two weeks notice is required for a schedule change, for instance moving from 2 day to 4 day contract. A family leaving prior to the completion of its contract date may relinquish all or part of its deposit as a penalty for early withdrawal and breach of contract on a case by case basis. We understand that our families' plans may change and strive to balance your unique situations with our need to plan budgets, create schedules and foster a stable community for our students, faculty, and staff.

I/we _____ (initials) understand that payments do not change when UADC is closed for holidays, in-service, or center improvement days. No credit will be given for days absent due to illness, vacations, emergencies, or when UADC/MMSD is closed for inclement weather. UADC Technology/Social Media Policy

As Early Childhood Educators at University Avenue Discovery Center, we recognize the pros and cons of using technology (i.e. tablets, computers, digital cameras, and cell phones). The following guidelines are in place to ensure appropriate use of these tools to protect the integrity and best practice of our center.

UADC upholds the position statement on technology put forth by the National Association for the Education of Young Children, which states that,

“Interactive media may be used in the classroom to promote effective learning and development when they are used intentionally by educators.”

Educators will continue to monitor and apply latest research findings in child development as they relate to technology, especially in the field of health and developmental effects as they related to the use of technology and children.

Photography and Images:

The reason/goal of photos and videos used within the classroom setting are to enhance learning, share experiences with peers, assist with authentic assessment of the child’s development through play, and contribute to the community that the children create with one another. These images will not be used for monetary gain nor will they be created/used without the signature permission of the parent(s) who is (are) enrolling their child into our program. We ask that parents understand that photographs and videos are a standard occurrence within the program and therefore as a center we will obtain parental permission at the time of enrollment.

Social Media Use at UADC:

- Educators in the classroom will use technology to communicate with families during planning times, classroom meetings, and nap times.
- UADC Administration will use technology and photographs to connect and enhance our school community through our school Facebook page and webpage.
